# Rheumatic Sciatic or Neuralgic

If you suffer with pain-any kind of pain-keep in mind that pain is but a symptom, not a disease; that what you must fight is not the pain but its cause; that liniments and oils for external application are almost worse than useless. To overcome the cause of pain, internal treatment is necessary.

Pains, whether in muscles, joints, head or elsewhere will disappear when you purify and enrich the blood and strengthen the nerves.

There is one remedy that has been successfully employed in thousands of cases-

### Dr. Williams' Pink Pills for Pale People

Rheumatism is a disease of the blood: Neuralgia is the prayer of a nerve for food; Sciatica is but theumatism under another name. Dr. Williams' Pink Pills for Pale People can be used with the greatest success in any of these troubles because they attack the disease in the blood and drive it out. Proofs as to the efficacy of these pills are found in thousands of testimonials from grateful people who have been cured.
